

Library Tables

Rectangular Table with Apron-LT3060-29A

Our standard rectangular library table with apron provides an expansive work area with a classic look. Handcrafted to be both beautiful and durable, our library tables are constructed using solid hardwoods with a tough laminate work surface.

(Shown with matching oak laminate top)

Round Table-LT48R

Our round library table is perfect for study groups and collaborative work.

Rectangular Table without Apron-LT3060-29

Same expansive work area and quality construction as our apron tables, but with a bit more leg room in a more contemporary style.

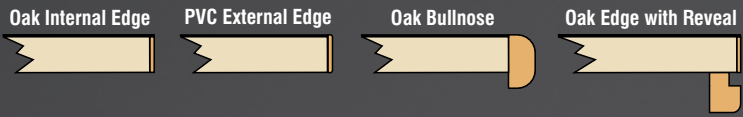

(Shown with Artesia laminate top and an oak edge band with reveal)

Steel Plate Leg System for library tables without aprons

With solid oak legs and a 1/4" thick steel plate bolted to the underside of the table top, our legs are remarkably strong.
